La Palma

RISTORANTE ITALIANO

The roots of La Palma Restaurant come from an amazing island situated in the South of Italy!

We are proud to be a family-run business that has been using generations of family authentic recipes that are loved and enjoyed by our lovely customers.

We have a wide range of fabulous meals that will let you enjoy Sicily's cuisines without having to fly to this famous island.

Also importing the simple but effective ingredients we use such as our homemade olive oil from our olive trees and almonds grown from our almond trees really takes your taste buds through the bustling streets of Palermo.
